

Rethinking the University: Harmonizing the Academic Space with Integrating Simplification

- Epistemic Dharma
- Higher education
- Pluralism

THE IDEA IN ONE MINUTE

Explores epistemic responsibility, pluralism and care as dharmic foundations for the university.

- 1

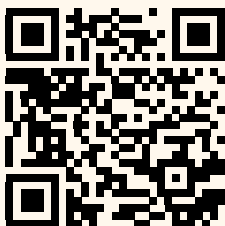

Epistemic Dharma links knowledge with responsibility
- 2

Pluralism broadens whose knowledge is recognised
- 3

Care and simplification can reshape academic institutions

WHY THIS MATTERS FOR LIVING DHARMA

Knowledge becomes dharmic when it strengthens responsibility, wise action and care for the interconnected whole.
