

Conceptualising Spirituality for Management

- Dharma
- Management
- Tarka

THE IDEA IN ONE MINUTE

Uses Tarka and an integrative definition schema to strengthen spirituality research and practice.

- 1

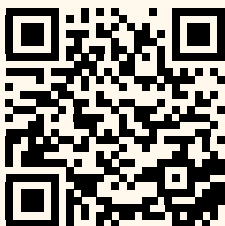

Clarifies spirituality for management research
- 2

Uses disciplined dialogue and definition building
- 3

Bridges conceptual rigour with organisational practice

WHY THIS MATTERS FOR LIVING DHARMA

Knowledge becomes dharmic when it strengthens responsibility, wise action and care for the interconnected whole.
