

UDAYA

STICHTING UDAYA · THE NETHERLANDS

Rising together, *rooted in dharma.*

Udaya is a Dutch platform for professionals and leaders inspired by dharmic values. We help people bring the values they grew up with into their work, their leadership and their career.

Udaya is Sanskrit for rising, as in sunrise.

OUR APPROACH TO LEADERSHIP

Dharma

Know what is yours to do.

Abhyasa

Grow through steady practice.

Seva

Lead by serving others.

Karma

Own the impact of your actions.

WHAT WE DO

Udaya Conference

A full day of keynotes and workshops at Madurodam, The Hague.

Captains Dinner

An evening with leaders who share how they lead.

New Year Reception

Our yearly start of the season with the community.

Rising with Udaya

FOR THE COMMUNITY

Many of us grew up with these values at home.

Udaya turns them into a compass for choices at work.

Here professionals meet, learn from each other and grow.
